

The future is hyCLEANER®

we have undergone a change of legal form to hyCLEANER GmbH & Co. KG

Renewable energies and in particular the solar industry brings us great growth and that means opportunities and change.

After two more managing directors, Mrs. Celina Kneiber and Mr. Josha Kneiber, have joined the management in spring 2022, we are looking forward to implement the next step for the company development and the associated growth.

Our company will be renamed and transferred into a new legal form:
The company known as TG hyLIFT GmbH has been renamed to **hyCLEANER GmbH & Co. KG** so that the following new company data are valid with immediate effect:

hyCLEANER GmbH & Co. KG

Maybachstraße 6
48599 Gronau

The team's email addresses have also changed to @hycleaner.com.
